SUMMARY

Dedicated and forward-thinking Backend Developer with 3 years of hands-on experience solving complex technical challenges through innovative software solutions. A committed learner, I quickly adopt emerging technologies and bring deep expertise in key programming languages along with broad experience in various development methodologies. With a proven track record of driving efficiency and innovation, I excel in fast-paced environments, delivering high-impact solutions that meet and exceed business objectives.

PROFESSIONAL EXPERIENCE

Software Engineer - Java Backend Developer 06/2022 - Present
Infosys Bangalore, India

- **Developed a full-scale E-Commerce web application** using Java Spring Boot in a microservices architecture, demonstrating end-to-end project ownership.
- **Implemented Gradle and CI/CD pipelines** with GitHub Actions, improving development efficiency and reducing deployment times.
- **Enhanced application performance** by introducing new features, resulting in improved user experience and a measurable boost in customer satisfaction.
- **Worked with cross-functional teams** to deliver critical project milestones on time, improving software quality and reliability.
- **Optimized cloud deployment and maintenance** using Google Cloud, increasing scalability, performance, and uptime.
- **Spearheaded a cloud-based data management framework**, improving data processing efficiency and enabling advanced analytics.
- **ostered cross-team collaboration** and knowledge sharing, leading to stronger project cohesion and higher output quality.

Software Engineer - Java Developer 01/2020 - 05/2020
Cognizant Pune, India

- Mastered Java programming fundamentals and advanced concepts, leading to a significant enhancement in development efficiency and solution quality.
- Developed and implemented scalable microservices-based components, driving innovation in application architecture and delivery.

EDUCATION

B.E. in Computer Science 08/2016 - 06/2020
Chandigarh University Mohali, India

Higher Secondary School 03/2011 - 04/2012
Govt. BPM High School Jamshedpur, Jharkhand

CERTIFICATIONS

Infosys Certified Java Programmer

Infosys Certified Spring Boot Developer

Infosys Certified Google Associate Cloud Engineer

Infosys Certified Data Analyst on GCP

Infosys Global Agile Developer Certification

DP-900 - Microsoft Azure Data Fundamentals

Infosys Certified Business Intelligence Associate

Infosys Certified Microsoft SSIS Developer

Infosys Certified Python Programmer

SKILLS

Java • Spring Boot • Microservices •

RESTful API • CI/CD • JUnit • GCP • HTML •

CSS • React • Apigee • Git • SendGrid
